The 2019 Foxes 50 Over 1 day squad

It Could well be the last meaningful 50 over one day competition for some time. From 2020 the 50 over competition is scheduled for the same period as the new '100 comp' and downgraded to a development competition. Ironical really that in a year when England host the World Cup in this format and stand a good chance of progressing, any feel good factor coming off the back of success will not be carried through into the domestic version.

Anyway for this season the format is unchanged with 2 groups of 9 teams in the round robin format before semi's and the Final at Lords

There's no doubt that by any measure the Foxes White Ball cricket was poor last year. The RL50 started so promisingly with a fine win away at Northants Where Colin Ackemann scored a splendid 100 & Gavin Griffiths picked up 4 wickets. However this proved the only success until the last round of matches when Durham visited Grace Rd. By this time the competition was long gone.

We start this season with 2 long distance trips to Headingley and The Riverside before returning to the FCG for some egg chasing on Easter Sunday against Worcs Rapids

For the Foxes fans who can make it, the journey up to Leeds should be worth the trip to see the progress on the new development of the Football Ground end. Scheduled for completion in time for the world cup this summer, progress on the ground redevelopment will be interesting. We will bring you some shots of the new facility

50 Overs a side the game starts at 11.00am
