The rnd 2 match at Grace Rd 10 days ago saw Foxes fall to a heavy defeat. Since then 3 away victories have boosted confidence. The return at the county ground Derby sees both sides with similar records in the North group at the midway stage.

The Foxes haven't lost at Derby since the game in 2017 when they only managed 104 off the 20 overs. Our last visit last season saw us post 174 thanks to a maiden T20 5 for Louis Kimber and bowled out the hosts for 132.

3 of Foxes largest victories have come against the Falcons at the County Ground Derby, winning by 86 runs in 2006, 79 runs in 2013 & 55 runs in 2019. That said Derbyshire's victory in the game at Grace Rd in Rnd 2 this season was Foxes 2nd largest defeat by 70 runs
